  - Archived v. 3/1/22
- [2021 Searchable Behavioral Health Services that Require Prior Authorization for Hoosier Healthwise and HIP](#)

Outpatient therapy services are available without referral and do not require prior authorization when performed by an MDwise contracted and enrolled provider.

Behavioral Health Forms can be found at:

<https://www.mdwise.org/for-providers/forms/behavioral-health>

# Self-Referral Services

Hoosier Healthwise and HIP members can seek care from any IHCP-enrolled provider qualified to render self-referral services, and without obtaining authorization from their Primary Medical Provider (PMP).

**Self-Referral Services do NOT require PA.**

**Example of self-referral services include but are not limited to:**

- Eye care
- Foot care
- Chiropractic services
- Urgent Care
- Family Planning

# Emergency Services

An emergency service is a service provided to a member after the sudden onset of an emergency medical condition.

- An emergency medical condition places the health of an individual in serious jeopardy, results in serious impairment to bodily functions or serious dysfunction of any bodily organ or part

**Emergency services also do NOT require PA. However, any resulting inpatient stay DOES require prior authorization.**

- Please report emergency admissions to MDwise within 48 business hours of admission

## ***Tips and Tricks***

*Providing health coverage to Indiana families since 1994*

# MDwise Authorization Portal

## Tips and Tricks

- The MDwise PA Portal is a separate portal from myMDwise Provider Portal. The PA Portal is strictly for submitting PA requests and tracking those requests.
- Documents MUST include [Universal Prior Authorization Form](#) to be processed. If the PA form is not completed, the process will be voided, and you will receive a message or a fax back to submit the auth request with all required documents.
- MDwise may change the priority if a request does not meet the definition of Urgent.

# MDwise Authorization Portal

## More Tips and Tricks

- MDwise uses Code Sets to alleviate the need to add similar CPT codes to your requested service.
  - Special Program Code (SPC) Code Sets drive you to choose a category that pertains to your service and reduce time to enter request
  - Refer to Appendix A of the [PA Portal Instruction Manual](#)
- Choosing “Multiple Attach” will allow user to repeat the provider selection process. The “Single Attach” option will return user to the request screen.
- Be sure to use the rendering provider’s NPI for the request
- You must click “Submit” for MDwise to process the request

# Continuity of Care Guidance for Non-Pharmacy

*Providing health coverage to Indiana families since 1994*

# Continuity of Care

A procedure takes place, and a member enters the procedure with PA approved as fee-for-service but then member eligibility is retroactively changed to MDwise during or after procedure completion. Who is responsible for the payment?

# Continuity of Care

- **From Now through 12/31/2022:** MDwise will honor all previous existing prior authorizations for a minimum of 30 calendar days from the member's date of enrollment with MDwise.
- Our Transition Coordinator will work with other Medicaid providers for continuity of care prior authorizations transition and coordination of care.
- When submitting claims for these services, please make sure you have the correct authorization attached. Not doing so could cause a claims denial.

# Transition of Care

- **Effective 1/1/2023:** When receiving members from another MCE or fee-for-service, MDwise will honor previous authorizations for a minimum of 90 calendar days from the member's date of enrollment with MDwise.
- There will be no other impact on transition of care processes.

# *Scenarios*

*Providing health coverage to Indiana families since 1994*

# Scenario #1

As a provider, you submitted a claim that was denied for no authorization. You want to dispute this. How would you go about disputing this?

# Scenario #1

Answer: Submit as a claims dispute. To file a claims dispute, please complete and submit the [MDwise Claims Dispute Form](#)

## Claims Dispute Form

Please submit disputes electronically to [cdticket@mdwise.org](mailto:cdticket@mdwise.org). Only **ONE** claim can be submitted **PER** dispute form **PER** email.  
Please use a Claim Adjustment Form for corrected claims, medical records, invoices, consent forms or recoupment requests.  
These do not constitute a dispute.

Facility/Provider Name:	<input type="text"/>	Date:	<input type="text"/>
Telephone Number:	<input type="text"/>	Email:	<input type="text"/>
Member Name:	<input type="text"/>	Date of birth:	<input type="text"/>
Date of Service:	<input type="text"/>	Member ID #:	<input type="text"/>
Billed Amount:	<input type="text"/>	Claim #:	<input type="text"/>

# Scenario #2

MDwise receives an Urgent PA request for physical therapy with a start date of today. Per the clinicals, the member has chronic lower back pain and has not participated in physical therapy previously. When should the provider expect a decision to be rendered?

## Scenario #2

Answer: Within 7 calendar days of the date of submission. But, per review, the member does not meet criteria for an urgent review. Urgent is any request for medical care to which the application of the periods for making non-urgent care determinations could seriously jeopardize the life, health, or safety of the member.

## Scenario #3

- You are entering a prior authorization request for a member needing occupational therapy services. Multiple rendering providers from your organization may possibly see this member. What feature do you use to list each rendering provider?

# Scenario #3

Answer: You would choose the Multiple Attach option
